8. Beneficial Owners - Supplementary Information

Under UK legislation to prevent money laundering, AXA IM UK is required to verify the identities of investors. In the case of corporate bodies, trusts and other legal arrangements, it is also required to establish the identity of any trustees or other controllers (who have greater than 25% control of the body corporate or property of the trust) that are not named on the application. In addition, it is also required to establish the identity of any individuals who have a specified beneficial interest in the Units or Shares. The Registered Holder retains legal title to the Units or Shares and instructions will only be accepted from the Registered Holder. The beneficial owner details are required for money laundering purposes only. For companies, the beneficial owners that must be listed are any shareholders or other individuals that ultimately own or control more that 25% of the voting rights or are entitled to more than 25% of the company's profits. Note that they may not necessarily be the actual shareholders in the company. Directors of a company do not need to be listed unless they fall within this definition. For trusts and other similar arrangements, the beneficial owners are individuals nominated to benefit from more than 25% of the trust property, as well as any trustees that exercise control.

10. Declaration and Authorisation

1. We confirm that we have the authority and capacity to invest in the Funds and to make the representations and give the indemnities referred to herein.

2. We declare that the information provided by us in connection with this application and the declarations made in this application form are true and correct to the best of our knowledge and belief.

3. We understand that the Funds and AXA IM UK may rely upon an application for subscription even prior to receipt of subscription monies and the Funds may invest the expected subscription amounts. Any failure or default by us to transmit subscription monies so that they are not received in cleared funds by the settlement time specified in the relevant Prospectus may result in certain losses, costs or expenses for the account of a Fund. We hereby agree to indemnify the Funds, AXA IM UK and any of their delegates, agents or employees for any losses, costs or expenses (including without limitation legal fees, taxes and penalties) incurred by them as a result of a failure or default to arrange transmission of subscription monies so that they are received in cleared funds for the account of a Fund by the settlement time.

4. We acknowledge that AXA IM UK reserves the right to reject any application for Shares/Units in whole or part, and in this event AXA IM UK will return any money sent, or the balance of such monies, at our risk.

5. We agree to provide AXA IM UK with any additional documentation that it or its delegates may require to verify our identity in accordance with current UK anti-money laundering and/or tax legislation. We acknowledge that any delay by us in providing such documentation may result in delayed processing of our application and/or delayed payment of any future redemption payments or processing of Unit/Share transfer requests on our behalf. We further acknowledge that in the event of a failure to provide information in connection with international tax compliance, AXA IM UK or the Fund will be required to report us to HM Revenue & Customs. We hereby hold the Fund and AXA IM UK harmless and indemnify them against any loss arising as a result of a failure to process this application or any subsequent subscription or redemption request if such information required has not been provided by us. We also warrant on a continuing basis that the monies being invested pursuant to this application will not represent directly or indirectly the proceeds of any criminal activity (including, for the avoidance of doubt, the proceeds of drug trafficking and terrorism) and the investment will not be designed to conceal such proceeds so as to avoid prosecution for an offence or otherwise.

6. We warrant on a continuing basis that the monies being invested pursuant to this application will be duly declared to all relevant tax authorities prior to investment and agree to indemnify and hold harmless the Fund and AXA IM UK and each of their respective directors, officers and employees against any loss, liability cost or expense (including without limitation legal fees, taxes and penalties) which may result from our holdings of Units/Shares in the Fund and which result in the Fund or AXA IM UK incurring any liability to taxation and/or breaching any law or regulation of any local regulatory or taxation authority.

- (i) have not been and will not be registered under the 1933 Act or the securities laws of the United States;
- (ii) may not be offered, sold, transferred or delivered directly or indirectly in the United States or to or for the account or benefit of any US Person; and
- (iii) have not been and will not be registered under the 1940 Act.

We further acknowledge that any re-offer or resale of any of the AXA UK Funds in the United States or to US Persons may constitute a violation of United States law.

We represent and warrant that we are not a US Person and that we are not acquiring directly or indirectly the Units/Shares on behalf of or for the account of a US Person or with the assets of an ERISA Plan or otherwise in violation of any applicable law or regulation. We will notify the Fund and AXA IM UK immediately if we should at any time become a US Person or hold any of the Units/Shares on behalf of or for the account of, directly or indirectly, a US Person or with the assets of an ERISA Plan, or become prohibited from holding Shares under any applicable law or regulation. We represent and warrant that we are not funding the purchase of Units/Shares with funds obtained directly or indirectly from a US Person or with the assets of an ERISA Plan for such purpose. We will not sell or offer to sell or transfer or deliver Units/Shares to a US Person or any person in violation of any applicable law or regulation.

8. We hereby authorise the Fund, AXA IM UK and their delegates to accept and execute any instructions in respect of the Units/Shares which may in future be acquired by us (including any subsequent redemptions) which are given by us in written form (which shall not include email) or by fax, with the original to follow in the post, ("Instructions") in accordance with the Prospectus and the Terms and Conditions.

We confirm that the persons listed on the attached authorised signatories list and whose specimen signatures appear on that list (the "Authorised Signatories") are duly authorised to give Instructions with respect to Units/Shares held by us in the Fund and to subscribe for additional Units/Shares or redeem Units/Shares on our behalf. 10. We hereby agree to indemnify and hold harmless each of the Fund and AXA IM UK and each of their respective directors, officers and employees against any loss, liability, cost or expense (including without limitation legal fees, taxes and penalties) which may result directly or indirectly from any misrepresentation or breach of any warranty, condition, covenant or agreement set forth herein or in any document delivered by us to any of them (including without limitation any subscription form) and shall notify AXA IM UK immediately if any of the representations herein made are no longer accurate and complete in all respects.

11. We agree to provide to AXA IM UK at such times as it may request such declarations, certificates or documents as each of them may reasonably require in connection with this investment or any future transaction. Should any information furnished to AXA IM UK become inaccurate or incomplete in any way, we hereby agree to notify AXA IM UK immediately of any such change and further agree to request the redemption of Units/Shares in respect of which such confirmations have become inaccurate or incomplete where requested to do so by AXA IM UK. We agree to notify AXA IM UK of any change to our tax classifications immediately.

12. We understand that the confirmations, representations, declarations, indemnities and warranties made or given herein are continuous and apply to all subsequent purchases and redemptions of Units/Shares by us or on our behalf in the Funds.

13. The following explanatory notes are based on Tax Regulations as implemented in the UK. If you have any questions about your organisation's classification, please contact your tax adviser.

Definitions common to FATCA and CRS

¹Tax Regulations

The term "tax regulations" refers to regulations created to enable automatic exchange of information and include Foreign Account Tax Compliance Act (FATCA), and the OECD Common Reporting Standard (CRS) for Automatic Exchange of Financial Account Information².

²FATCA and CRS

FATCA

FATCA regulations in sections 1471 to 1474 of the US Internal Revenue Code and the Treasury regulations and official guidance issued thereunder, as amended from time to time. FATCA regulations have been adopted in the UK by The International Tax Compliance Regulations 2015.

CRS

The OECD Common Reporting Standard (CRS) which has been adopted in the UK by The International Tax Compliance Regulations 2015.

³Non-Profit Organisation

An entity that meets ALL of the following criteria:

- (i) it is established and operated in its jurisdiction of residence exclusively for religious, charitable, scientific, artistic, cultural, athletic, or educational purposes; or it is established and operated in its jurisdiction of residence and it is a professional organisation, business league, chamber of commerce, labour organisation, agricultural or horticultural organisation, civic league or an organisation operated exclusively for the promotion of social welfare;
- (ii) it is exempt from income tax in its country of residence;
- (iii) it has no shareholders or members who have a proprietary or beneficial interest in its income or assets;
- (iv) the applicable laws of the entity's country of residence or the entity's formation documents do not permit any income or assets of the entity to be distributed to, or applied for the benefit of, a private person or non-charitable entity other than pursuant to the conduct of the entity's charitable activities, or as payment of reasonable compensation for services rendered, or as payment representing the fair market value of property which the entity has purchased; and
- (v) the applicable laws of the entity's country of residence or the entity's formation documents require that, upon the entity's liquidation or dissolution, all of its assets be distributed to a governmental entity or other non-profit organisation, or escheat to the government of the entity's country of residence or any political subdivision thereof.

⁴Controlling Persons

The term "Controlling Persons" means the natural persons who exercise control over an Entity. In the case of a trust, such term means the settlor, the trustees, the protector (if any), the beneficiaries or class of beneficiaries, and any other natural person exercising ultimate effective control over the trust, and in the case of a legal arrangement other than a trust, such term means persons in equivalent or similar positions. The term "Controlling Persons" must be interpreted in a manner consistent with the Financial Action Task Force Recommendations.

"Control" over an Entity is generally exercised by the natural person(s) who ultimately has a controlling ownership interest in the Entity. A "control ownership interest" depends on the ownership structure of the legal person and is usually identified on the basis of a threshold applying a risk-based approach (e.g. any person(s) owning more than a certain percentage of the legal person, such as 25%). Where no natural person(s) exercises control through ownership interests, the Controlling Person(s) of the Entity will be the natural person(s) who exercises control of the Entity through other means. Where no natural person(s) is identified as exercising control of the Entity, the Controlling Person(s) of the Entity will be the natural person(s) who holds the position of senior managing official.
